

**Tecnologia dello stampo
integrat 4D**

**Mould technology
integrat 4D**

**Tecnologia di procedimento
MuCell**

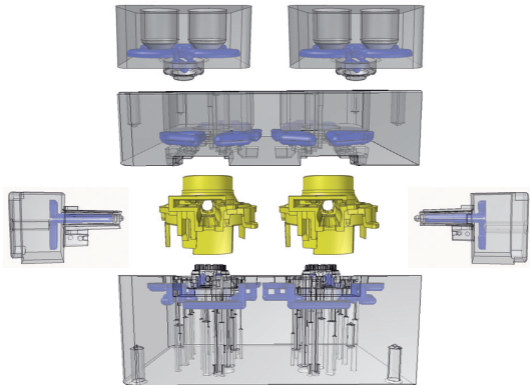

**Process technology
MuCell**

**Esempio: parte di stampo tecnico in materiale PA 6.6 FV 35
con procedimento MuCell**

Risparmio del tempo ciclo: 26%

**Example: Technical part made of PA 6.6 GF 35
with MuCell technology**

Cycle time saved: 26%
