

Tecnologia dello stampo **integrat 4D** **Mould technology integrat 4D**

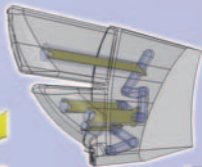

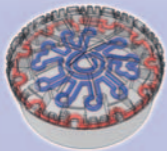

Aumento della produttività
Increase of productivity

Esempio: ventola motore assiale
Risparmio del tempo ciclo: **35%**

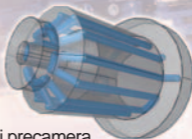

Example: Cooling fan
Cycle time saved: 35%

Inserto stampo - Lato estrazione
Mould insert ejector side

Inserti ventola - Lato estrazione
Fan insert ejector side

Inserto stampo
Lato ugello
**Mould insert
nozzle side**

Inserto di precamera
Melt chamber insert
